MONTHLY NEWSLETTER

Welcome to our February newsletter, we hope you are all well and starting to enjoy the lighter mornings and evenings. KITE team have continued throughout the lockdown to keep sites safe and our engineers are supporting teams across the water companies. If you wish to meet us on site, by phone or online, please get in touch, to discuss your project solutions. Please feel free to forward this newsletter or pop it on your noticeboard!

MINOR BUILDING FRAMEWORK - KITEs Capabilities

PLEASE CALL 01480 407304 or email sales@kiteus.co.uk if you have a project you would like to discuss. We can meet on site and turn around quotes quickly, and get the job done for you without delay!!

RECENT M & E WORKS

EMERGENCY complex repair and modifications to replace both bearings on Cake Silo Auger. Customer very pleased as there was no down time in production and the site continued to run as normal. This also improved the future maintenance of the bearings.

KITE MOTHERS DAY CHARITY RAFFLE

So far we have raised over £200 for Cancer Research UK, if you would like to buy tickets please contact Holly Humphrey accounts@kiteus.co.uk £1 per ticket to win a Cambridge Urban ice bucket and stand filled with goodies!!!!!!
